

Powercor Australia Ltd On Farm Energy Grant Registration Form

Please return this form to one of the Powercor offices on the attached list.

ABN 89 064 651 109

Telephone: 13 22 06

Thank you for your inquiry regarding Regional Development Victoria's (RDV) **On Farm Energy Grant** for the conversion of selected high voltage backbone systems and transformers to three phase. Please complete all details and return this form to the nearest Powercor office shown on the attached list. Upon receipt of the form, RDV will be advised of your interest and provided details of the electrical system to which you are currently connected, to assist them in assessing your eligibility to a grant under this scheme. On receipt or RDV's eligibility determination, you will be sent an Acknowledgement Letter from Powercor advising you of the outcome.

Should the eligibility determination be favourable, you can select to have a **Budget Estimate** prepared that will provide you with an indicative cost of the works, or a **Firm Offer** which will include your contribution to the upgrade, any special conditions and the construction program date. A request for a **Firm Offer** may be subject to applicable Powercor fees.

Should you require any assistance in completing this form, please do not hesitate to call one of our Customer Project Advisers on 13 22 06.
